Superfund RPM and possibly section chief and myself to give tour to Rep. Upton, Senators Levin and Stabenow will be invited, Mayor of Kalamazoo likely to attend as he started this ball rolling. We did swing it by Susan early because we were not sure if she would want to be there, but she was fine with SF taking the lead. We did not cover press invitations.

May 27 (day after Memorial Day) is our current date.

Hi Anne - I need to talk with you about a landfill tour with are giving congressional at the Allied Landfill site. Not surprisingly, Congressman Upton would like to invite press. I have spoken to the RPM about this request and he is running it up the chain in SF. We'd like to have a chat with you about it as well.

Thanks,  
Eileen
